

**#eHealth2019 International Conference**  
**The 24<sup>th</sup> Finnish National Conference on Telemedicine and eHealth**  
**“Data-Driven Health”**  
**2-3 April 2019 | Kuopio University Hospital | Kuopio | Finland**

## Call for abstracts

The conference presents the latest eHealth / telemedicine research and development projects related to the conference topics as oral presentations and posters. All abstracts should be prepared using English language. All abstracts will be reviewed by the Scientific Committee. The committee reserves a right to choose some abstracts to be presented as oral presentation. At least one of the authors has to register as a conference participant and present the abstract either in oral session or as a poster in the poster session.

Accepted abstracts will be published in conference proceedings. Best abstracts are invited to be published as full papers in a special #eHealth2019 issue of *Finnish Journal of eHealth and eWelfare* ([www.finjehew.fi](http://www.finjehew.fi)).

- Please focus your abstract(s) in the following conference themes: Data-driven Health; The Use of Data Lakes; Smart Care; eEducation/eResearch; Mobile Health Solutions; Patient Safety; Data-driven Precision Medicine; Innovations; Visions of Future Health; AI & Robotics in Health.
- Abstracts submission deadline is **14th January 2019 (extended)**
- Notification of acceptance is **28th January 2019**
- Abstracts submission via email to [pirkko.kouri@savonia.fi](mailto:pirkko.kouri@savonia.fi)
